Experience

Fathom Information Design **Boston, MA**
Intern *June – August 2026*
- Rewrote documentation and created template bundle repository serving as the entry point for Lookout, an on-the-ground outbreak monitoring software currently deployed in Nigeria and Sierra Leone.
- Developed two major features for Rowboat—pinned columns and collapsed headers—and 15+ bug fixes for over 6,000 registered users.

The Harvard Crimson **Cambridge, MA**
Digital Design Executive *September 2023 – December 2025*
- Co-led the Harvard Crimson newspaper's project to redesign thecrimson.com with 2+ million visitors per month.
- Mentored in the Crimson's mentorship program and led 2 UX workshops for 40+ people to train undergraduates in Figma.
- Onboarded 6 designers into the web design team, increasing page design output from 2 to 8 pages a week.

The Band with No Name **Braintree, MA**
Independent Musician *Jun 2022 – Present*
- Operated an independent music group, co-managing marketing, finances, and digital presence.
- Designed and executed social media campaigns garnering over 200,000 views across Facebook and Instagram.
- Generated over $40,000 in revenue and booked 50+ performances since summer 2023.

Harvard-Radcliffe Orchestra **Cambridge, MA**
Graphic Designer, Principal Bassoonist *Jan 2024 – February 2026*
- Designed concert flyers, social media posts, and other public orchestral media postings using Adobe Illustrator, with an audience of 18,000+ Harvard University students.
- Produced 50+ high-quality graphics reviewed by the HRO Alumni Foundation for official printing and ticket sale.
