EXPERIENCE

The Harvard Crimson

Sep. 2023 – December 2025

Digital Design Executive

Cambridge, MA

- Co-leading the Harvard Crimson newspaper's project to redesign thecrimson.com with 2+ million visitors per month.
- Mentored in the Crimson's mentorship program and led 2 UX workshops for 20+ people to train undergraduates in Figma.
- Onboarded 6 designers into the web design team, increasing page design output from 2 to 8 pages a week.

The Band with No Name

Jun 2022 – Present

Pianist and Manager

Braintree, MA

- Operate an independent music group, managing marketing, finances, and digital presence.
- Design and execute social media campaigns garnering over 200,000 views across Facebook and Instagram.
- Generated over \$40,000 in revenue and booked 50+ performances since summer 2023.

Laboratory for Values in the Built Environment

Feb. 2026 – Present

Research Assistant

Cambridge, MA

- Developed script to eliminate null values in OZFS standard filetype, reducing file sizes by over 20%.
- Currently reworking system design in Python and R to reduce number of system checks required, aiming to reduce overall system operations by at least 40%.

Harvard-Radcliffe Orchestra

Jan 2024 – February 2026

Graphic Designer, Principal Bassoonist

Cambridge, MA

- Design concert flyers, social media posts, and other public orchestral media postings using Adobe Illustrator, with an audience of 18,000+ Harvard University students.
- Produce high-quality graphics reviewed by the HRO Alumni Foundation for official printing and ticket sale.
